# Gallery Map

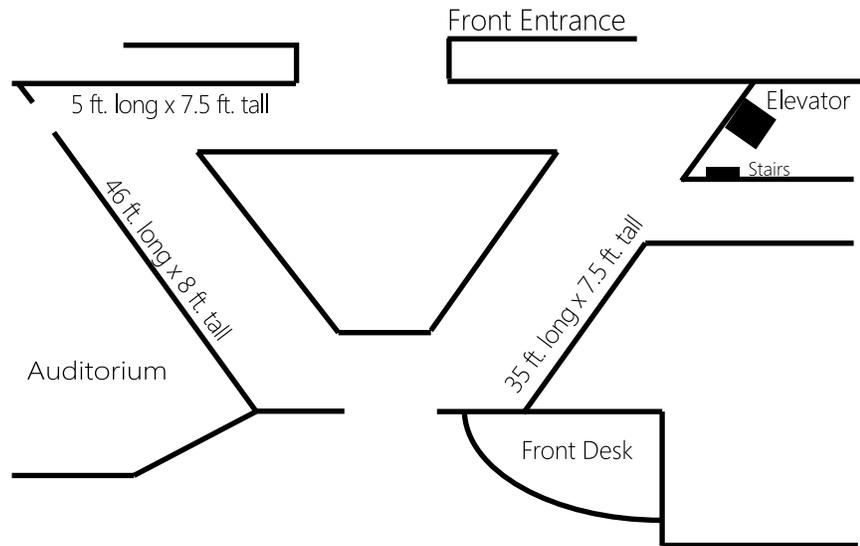

# The Atrium Gallery

**Dimensions:** apprx. 46 ft. long x 8 ft. tall on brick, and 40 ft. x 7.5 ft. on drywall

**Display System:** adjustable tracks and wires, pedestals

**Location:** main level (second floor)

**Artwork:** two-dimensional, three-dimensional

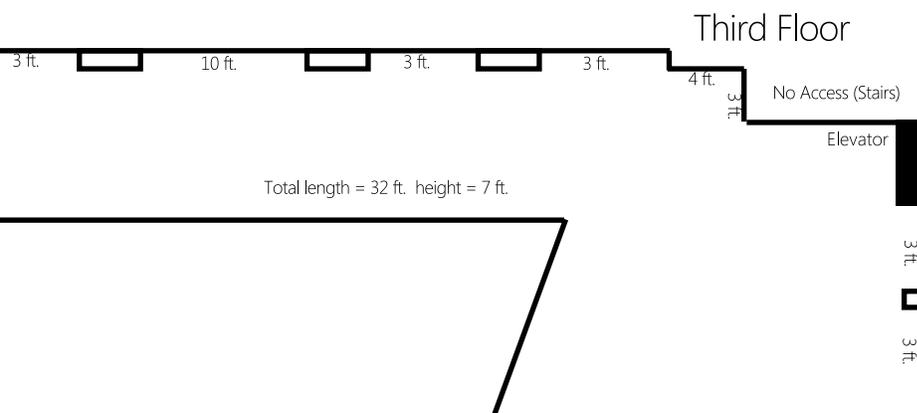

“ It’s a beautiful venue. The staff was very helpful in explaining all the procedures prior to hanging the show. ”

- Kristin Helberg, painter

# Gallery Three

“I enjoyed the coziness of the Gallery Three space.”

- Clay Harris, graphic novel artist

**Location:** third floor

**Dimensions:** apprx. 32 ft. long x 7.5 ft. tall on drywall

**Display System:** adjustable tracks and wires

**Artwork:** two-dimensional

# Suspended Space

“It can be an installation artist’s dream space as it offers varied viewing experiences from the three floors and with the expansive brick wall.”

- Shanthi Chandrasekar, artist and curator

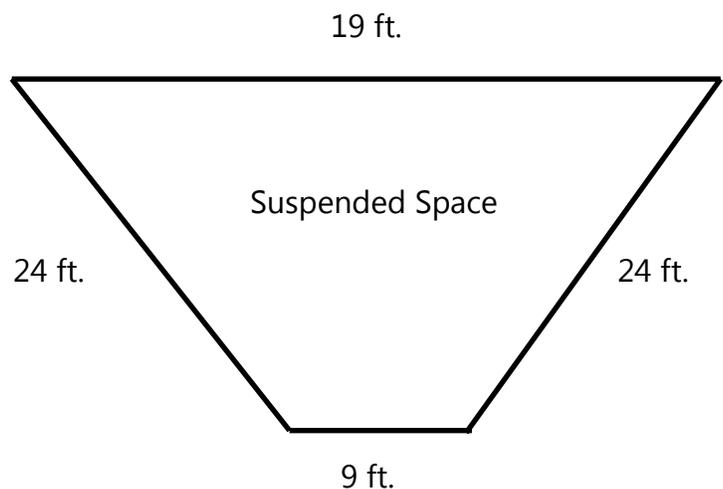

**Location:** third floor

**Dimensions:** apprx. 76 ft. around x 10 ft. tall

**Display System:** wire rigging

**Artwork:** three-dimensional

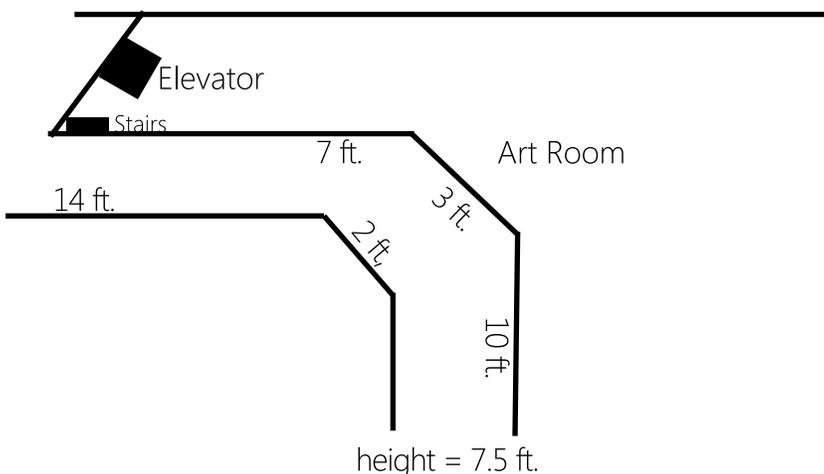

height = apprx. 10 ft.

# The Richard Dempsey Memorial Gallery

“The lighting was excellent and the blank walls made my work really pop! The space is good for an artist that wants to display a lot of pieces.”

- Alicia Geller, abstract painter

**Location:** main level (second floor)

**Dimensions:** a 20 ft. long x 7.5 ft. tall drywall wall, and a 16 ft. long x 7.5 ft. tall drywall wall

**Display System:** adjustable tracks and wires

**Artwork:** two-dimensional

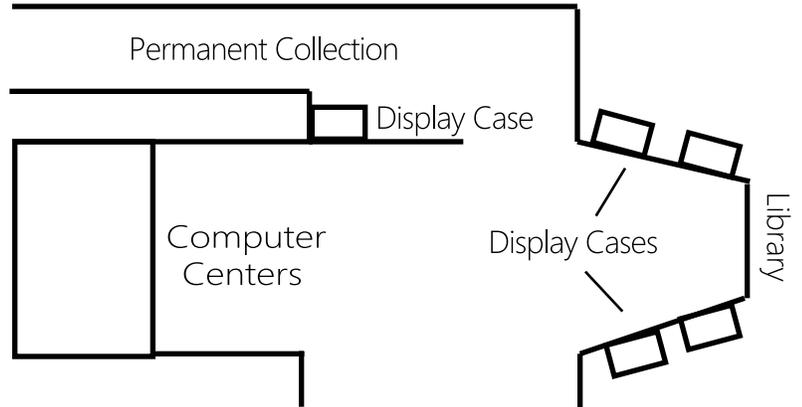

# The Corridor

**Location:** main level between the library and computers

**Dimensions:** 5.5 ft. long x 3.5 ft. tall x 1 ft. deep

**Display System:** five glass cases

**Artwork:** three-dimensional

“The cases in the Corridor allowed for a simple and well-lit display of my work with lots of foot traffic from the library.”

- Katie Helms, book artist
